INDEX, VOLUME 137

A

Achievement and conformity in remitted manic-depressive patients, 162
Ackerman, Nathan W., 408
Activity patterns of schizophrenic patients, measurement of, 258
Acute alcoholic psychoses, hearing disturbances and auditory hallucinations in. I: Tinnitus, 455
Adelson, Daniel, 242
Administration, repetitive, of two psychological tests during withdrawal from ataractic drugs, 574
Adolescent Aggression: A Study of the Influence of Child-Training Practices and Family Interrelationships, 100
Affiliation among chronic schizophrenics: Factors affecting acceptance of responsibility for the fate of another, 173
Affiliation among schizophrenics: Preferred characteristics of the other, 438
After-effect, figural, and LSD-25, 557
Alcoholic and schizophrenic patients, comparison of parental loss by death in childhood of with non-patient community sample, 14
Alcoholic psychoses, acute, hearing disturbances and auditory hallucinations in. I: Tinnitus, 455
Alcoholics, convalescing, a controlled evaluation of chlordiazepoxide (Librium) in the treatment of, 494
Alexander, Franz, 402
Alexander, Fred, 135, 246
American character, the: Crisis, change and complexity, 124
Amino acids
  and tranylcypromine (Parnate), urinary indoles in schizophrenics and psychoneurotics after ingestion of, 246
  feedings of in schizophrenic and non-psychotic patients, 135
  histidine excretion, paper chromatography of, in dog urines, 395
  tyramine-like substance in human saliva, physiologic variations of, 487
Amnesia, retrograde, influence on, of Elther apparatus, Siemens Konvulsator III and lidocaine-modified treatment, 117
Amobarbital sodium (sodium amytal) and methamphetamine hydrochloride (Methedrine) injections, interviews with mute chronic schizophrenics after, 187
Analogues, experimental, of psychotherapy: Clinical relevance of laboratory findings of social influence, 420
Analysis by the method of principal components, of distinctions within psychotic dimensions, 543
Anesthetic agent, controlled comparison of in ECT (methohexital sodium and thiopental), 297
Another, acceptance of responsibility of for the fate of (factors affecting affiliation in chronic schizophrenics), 173
Antidepressant drugs, effects of on limbic structures of rabbit, 277
Applications, clinical, of rheoencephalography, survey of, 285
Arnhoff, Franklyn N., 88
Assessing the influence of hospital milieu on effectiveness of psychiatric drug therapy: Problems of conceptualization and research methodology, 143
Assessments, psychotherapists', of former patients, 222
Ataractic drugs, withdrawal from, repetitive administration of two psychological tests during, 574
Audio-analgesia and perceptual augmentation and reduction: Sensory stimulation causing subdued experience, 312
Auditory hallucinations and hearing disturbances in acute alcoholic psychoses. I: Tinnitus, 455
Auditory hallucinations and tinnitus, correlation between, 462
Augmentation and reduction, kinesthetic determination of extent of, 312
Augmentation and reduction, perceptual and audio-analgesia: Sensory stimulation causing subdued experience, 312
  in relation to the CNS, 319
  in schizophrenia, 319

B

Bacon, E. Faye, 574
Bandura, Albert, 100
Barber, Theodore A., 107
Barmore, John, 297
Beatman, Frances L., 408
Becker, Joseph, 162
Behavior, predrug, as a predictor of response to phenothiazines among schizophrenics, 597
Beller, E. Kuno, 409
Belmont, Ira, 42
Berry, Helen K., 577
Bertcher, Harvey, 76

Biochemistry of Mental Disease, 304
Birnbach, Martin, 101
Blair, J. H., 582
Body and Its Mind, The: An Introduction to Attitude Psychology, 513
Body experiences of schizophrenic, neurotic and normal women, 252
Body image deterioration in paraplegia, 88
Boring, Edwin G., 204
Bradshaw, F. J., Jr., 322
Brain
  cerebral lesions, chronic and current, non-lateralized and lateralized, effects of on Train Making Test performances, 82
  limbic structures of rabbit, effects of anti-depressants on, 277
Brain, Sir Russell, 406
Bricklin, Barry, 405
Brim, Orville, 202
Bristow, David, 380
Bromberg, Walter, 609
Bull, Nina, 513
Butler, Robert N., 180

C

Calverley, David S., 107
Cardiac surgery, medical and psychological factors, 380
Cerebral lesions, chronic and current, lateralized and non-lateralized, effects of on Trail Making Test performances, 82
Chairman, part-time: The preservation of a vanishing species: Editorial, 521
Challenge, new, to psychiatry: The Peace Corps, 1
Chamberlain, A., 258
Chapple, E. D., 258
Character, American: Crisis, change and complexity, 124
Characteristics preferred of the other (affiliation among schizophrenics), 438
Chessick, Richard D., 389
Child patients, conduct of: The problem of containment, 466
Child psychiatry, nineteenth-century, 336
Child Psychology: Growth Trends in Psychological Adjustment, 2nd ed., 511
Childbirth while conscious: Perspectives and communication, 372
Childhood dementias and development of psychodynamic psychiatry, the decade of (1900–1910), 338
Childhood schizophrenia, psychodynamic approaches to, 336
Chlordiazepoxide (Librium), a controlled evaluation of in the treatment of convalescing alcoholics, 494
Chlorpromazine and imipramine effects on perceptual analytic ability, perceptual responsivity and memory as revealed in Rorschach responses, 42
Christian-Jewish tradition, the, and psychoanalysis, 554
Chromatography of 6-hydroxyskatole excretion in schizophrenia, 591
Chromatography, paper, increased histidine excretion in dog urines found in, 395
Chronic and current lateralized and non-lateralized cerebral lesions, effects of on Trail Making Test performances, 82
Chronic schizophrenia, thyroid indices in, 582
Chronic schizophrenics
  affiliation (acceptance of responsibility for the fate of another), factors affecting, 173
  hydroxyzine in concept identification under induced stress with, 322
  mute, thought content of: Interviews after amobarbital sodium and methamphetamine hydrochloride injections, 187
  relation of somatotype to outcome in after phenothiazine therapy, 242
Clinical applications of rheoencephalography, 285
Clinical judgments, psychiatrists', consistency of, 58
Clinical Process: A New Approach to the Organization and Assessment of Clinical Data, 409
CNS, perceptual augmentation and reduction in relation to, 319
Cochrane, Carl M., 487
Communication and perspectives, in pregnancy and childbirth, 372
Community-resident, emotionally disturbed elderly, psychiatric contact with, 180
Comparative studies of therapeutic effects and memory disturbances in treatment of endogenous depression with Elther ES apparatus and Siemens Konvulsator III, 268
Components, principal, factor analysis by, of distinctions within psychotic dimensions, 543
Concept identification, hydroxyzine in, under induced stress with chronic schizophrenics, 322
Concept of genital primacy, the, 552
Conceptual Systems and Personality Organization, 514
Conceptualization and research methodology, problems of: Influence of hospital milieu on effectiveness of psychiatric drug therapy, 143
Conditioning, electrodermal: Some further correlates, 479
Conduct of patients, a longitudinal view: Problems of containment, 466
Conformity and achievement in remitted manic-depressive patients, 162

Confrontation technique, treatment of nascent schizophrenia with, 329
Consciousness and childbirth: Perspectives and communication, 372
Considerations on Pavlovian theory in psychopathology, 548
Consistency of psychiatrists' clinical judgments, the, 58
Contact, psychiatric, with the community-resident, emotionally disturbed elderly, 180
Containment, problems of: A longitudinal view of patient conduct, 466
Content of thought of mute chronic schizophrenics: Interviews after amobarbital sodium and methamphetamine hydrochloride injections, 187
Controlled comparison of methohexital sodium and thiopental as anesthetic in ECT with SCC, 297
Controlled evaluation of chlordiazepoxide (Librium) in the treatment of convalescing alcoholics, 494
Cranswick, E. H., 582
Criminal Psychology, 517
Crisis, change and complexity—The American character, 124
Critical observations of "The role of fear in ECT," 400
Cronholm, Börje, 117, 268
Crosley, Archer P., Jr., 135
Current and chronic lateralized and non-lateralized cerebral lesions, effects of on Trail Making Test performances, 82
Curtis, George C., III, 135

D

Death of parents as an etiological factor among schizophrenics and alcoholics and a non-patient community sample, 14
del Rio-Hortega, Pio, 306
Denial of illness in relation to differential drug response, 29
Depressed females, young, patterns of response of to placebo, iproniazid and ECT, 155
Depression, endogenous, comparison of therapeutic effects and memory disturbances after treatment of with Elther ES apparatus and Siemens Konvulsator III, 268
Detection of phenylketonuria: An institutional screening program, 577
Deterioration of body image in paraplegia, 88
Deterrents and Reinforcement: The Psychology of Insufficient Reward, 508
Differential drug response, denial of illness in relation to, 29
Distinctions within psychotic dimensions: A principal component analysis, 543
Disturbances in the sleep-waking rhythm, narcolepsy and other, study of 115 cases and literature review, 525
Dog urines, increased histidine excretion found in paper chromatography of, 395
Drug-induced symptom modification, long term, in schizophrenic outpatients, 231
Drug response, differential, denial of illness in relation to, 29
Drug therapy, psychiatric, assessment of influence of hospital milieu on effectiveness of, 143
Drugs, antidepressant, effects of on limbic structures of rabbit, 277
Drugs, ataractic, withdrawal from, repetitive administration of two psychological tests during, 574
Duhl, Leonard J., 1, 124
Dyadic characteristics conducive to interpersonal influence, 422
Dyk, R. B., 104

E

ECT
controlled comparison of methohexital sodium and thiopental as anesthetic agent in, 297
placebo and iproniazid and, patterns of response to among young depressed females, 155
"The role of fear in," some critical observations of, 400
ultrabrief stimulus technique in, 117, 268
Editorials, 311, 413, 521
EEG measurements of effects of antidepressants on rabbit limbic structures, 277
Effect of LSD-25 and other drugs on tropical fish, 389
Effectiveness, relative, of task-motivating instructions and trance-induction procedure in the production of hypnotic-like behaviors, 107
Effects of antidepressant drugs on limbic structures of rabbit, 277
Effects of chronic and current lateralized and non-lateralized cerebral lesions upon Trail Making Test performances, 82
Effects of imipramine and chlorpromazine on perceptual analytic ability, perceptual responsivity and memory as revealed in Rorschach responses, 42
Ego and Body Ego: Contributions to Their Psychoanalytic Psychology, 198
Ehrentheil, Otto F., 187
Eiduson, Bernice T., 518
Eighteenth-century view of infantile sexuality, an, in a Hogarth engraving, 417
Einfache Psychotherapie für den Hausarzt, 199
Electroconvulsive therapy, ultrabrief stimulus technique in, 117, 268

Electrodermal conditioning: Some further correlates, 479
Elther ES apparatus, Siemens Konvulsator III and lidocaine-modified treatment, influence of on retrograde amnesia, 117
Elther ES apparatus, Siemens Konvulsator III and, comparison of therapeutic effects and memory disturbances after treatment of endogenous depression with, 268
Emotionally disturbed, community-resident elderly, psychiatric contact with, 180
Endicott, Jean, 427
Endicott, Noble A., 427
Endogenous depression, comparison of therapeutic effects and memory disturbances after treatment of with Elther ES apparatus and Siemens Konvulsator III, 268
Engelhardt, David M., 29, 231
Engraving by William Hogarth, an eighteenth-century view of infantile sexuality in an, 417
Environment, supportive, psilocybin reactions in, 561
Esser, A. H., 258
Etiological factor, parental loss by death in childhood as, in schizophrenics and alcoholics and a non-patient community sample, 14
Evaluation, controlled, of chlordiazepoxide (Librium) in the treatment of convalescing alcoholics, 494
Evaluation, three-year follow-up, of shortterm psychotherapy with schizophrenics, 349
Excretion of histidine found increased in dog urines, paper chromatography, 395
Excretion of 6-hydroxyskatole in schizophrenia, 591
Expectations regarding psychotherapy, 353
Experimental analogues of psychotherapy: The clinical relevance of laboratory findings of social influence, 420
Experimental determination of the features of nervous processes in animals, 448
Experimental study of perception, an: Spatial orientation and psychotherapy, 93
Exploring the Base for Family Therapy, 408

F

Factor analysis of questionnaire responses on psychoanalytic practices and opinions, 209
Factor analysis of responses to placebo, iproniazid and ECT in depressed females, 155
Factor analysis (principal component) of distinctions within psychotic dimensions, 543
Factors affecting acceptance of responsibility for the fate of another (affiliation) among chronic schizophrenics, 173
Family, psychotic—folie à douze, 67
Faterson, H. F., 104
"Fear, the role of in ECT," some critical observations of, 400
Federn, Ernst, 405
Feedings of L-methionine and L-tryptophan with and without tranylcypromine in schizophrenic and non-psychotic patients, 135
Females, young depressed, patterns of response of to placebo, iproniazid and ECT, 155
Festinger, Leon, 508
Field, John, 407
Figural after-effect, the, and LSD-25, 557
Fink, Max, 42
Fish, tropical, effect of LSD-25 and other drugs on, 389
Fisher, Rhoda Lee, 400
Fisher, Seymour, 252, 400
Fitzhugh, Kathleen B., 82
Fitzhugh, Loren C., 82
Flach, Frederic F., 51
Fliess, Robert, 198
Folie à douze: A psychotic family, 67
Formation of a gang *in vitro*, 76
Former patients, psychotherapists' assessments of, 222
Foxwell, Nancy H., 494
Freedman, Lawrence Zelic, 372
Freedman, Norbert, 29, 231
Freinek, Wilfried R., 494

G

Gang formation *in Vitro*, 76
Garfield, Sol L., 353
Garner, Ann M., 607
Garner, H. H., 329
Garner, Wendell, 515
Genital primacy, on the concept of, 552
Gianascol, A. J., 336
Geertsma, Robert H., 58
Glass, D., 202
Goodenough, D. R., 104
Goodman, N., 202
Grange, Kathleen M., 417
Granger, Mary, 577
Gross, Martin, 574
Gross, Milton M., 455

H

Haley, Jay, 363
Hallucinations, auditory, and hearing disturbances in acute alcoholic psychoses. I: Tinnitus, 455
Hallucinations, auditory, and tinnitus, correlation between, 462
Halpert, Eugene, 455
Hamby, George W., 487
Hand Test, The, 405

Handbook of Physiology, Section I: Neurophysiology, Volume III, 407
Handlon, Marion W., 607
Hankoff, Leon D., 29, 231
Harvey, O. J., 514
Heald, P. J., 306
Hearing disturbances and auditory hallucination in acute alcoholic psychoses. I: Tinnitus, 455
Heart surgery, medical and psychological factors, 380
Heller, Kenneth, 420
Herbert, Charles C., 205
Heterodoxy in psychiatry and psychoanalysis, missing and wanted: Editorial, 311
Hilgard, Josephine R., 14
Himwich, Harold E., 277
Histidine excretion found increased in dog urines, paper chromatography, 395
Hitchman, Irene, 574
Hoffman, Martin, 552
Hogarth, William (1697–1764), an engraving by, an eighteenth-century view of infantile sexuality in, 417
Holland, Taffy, 312
Holt, Robert R., 413
Hospital milieu, influence of on effectiveness of psychiatric drug therapy, 143
Human saliva, physiologic variations of a tyramine-like substance in, 487
Hunt, David E., 514
6-hydroxyskatole sulfate excretion in schizophrenia, 591
Hydroxyzine in concept identification under induced stress with chronic schizophrenics, 322
Hypnotic-like behaviors, relative effectiveness of trance-induction procedure and task-motivating instructions in production of, 107

I

Illness, denial of, in relation to differential drug response, 29
Imipramine and chlorpromazine effects on perceptual analytic ability, perceptual responsivity and memory as revealed in Rorschach responses, 42
Increased excretion of histidine found in paper chromatography of dog urines, 395
Indices, thyroid, in chronic schizophrenia, 582
Indoles in urine of schizophrenic and psychoneurotic patients after ingestion of tranylpromine and methionine or tryptophan, 246
Induced stress, hydroxyzine in concept identification under, with chronic schizophrenics, 322
Infantile sexuality, an eighteenth-century view of, in a Hogarth engraving, 417
Influence, characteristics of those susceptible to, 421
Influence, characteristics of those with (therapist, experimenter), 421
Influence, interpersonal, dyadic characteristics conducive to, 422
Influence of hospital milieu on effectiveness of psychiatric drug therapy, 143
Influence on retrograde amnesia of Elther ES electroshock apparatus, Siemens Konvulsator III and of lidocaine-modified treatment, 117
Influence, social, clinical relevance of laboratory findings of (experimental analogues of psychotherapy), 420
Institutional screening program for detection of phenylketonuria, 577
Intensity in Pavlovian theory, 548
Interhemispheric Relations and Cerebral Dominance, 610
International Dictionary of Drugs Used in Neurology and Psychiatry, 602
Interviews with mute chronic schizophrenics after amobarbital sodium and methamphetamine hydrochloride injections, 187
Iproniazid, placebo and ECT, patterns of response to among young depressed females, 155
Ishi in Two Worlds, 301

J

Jackson, Donald D., 363
Jameson, Dorothy, 246
Jeans, R. F., 329
Jenkins, Joan W., 222
Jensen, S. E., 557
Jones, Ernest, 100
Judeo-Christian tradition, the, and psychoanalysis, 554
Judgments, clinical, psychiatrists', consistency of, 58

K

Kaplan, Max, 602
Karp, S. A., 104
Kelley, Francis E., 349
Kelm, Harold, 557
Kiev, Ari, 93
Kinesthetic determination of extent of perceptual augmentation and reduction, 312
Klein, Donald, 42
Klerman, Gerald L., 143
Kline, N. S., 258
Knoepfel, H.-K., 199
Kranz, Heinrich, 98
Kroeber, Theodora, 301
Kronholm, Jean, 389
Kubie, Lawrence S., 311
Kurland, Albert A., 494

L

Laboratory findings of social influence, clinical relevance of (experimental analogues of psychotherapy), 420
Langner, Thomas S., 603
Lateralized and non-lateralized chronic and current cerebral lesions, effects of on Trail Making Test performances, 82
Lavin, D., 202
Lawrence, Douglas H., 508
Lawrence, Jordan, 574
Learning Theory and the Therapy of Neurosis, 102
Leary, Timothy, 561
Leisure in America: A Social Inquiry, 602
Leonard, C., 479
Leopold, Robert L., 1
Liang, Edward, 51
Libido theory and natural law theory, 553
Librium (chlordiazepoxide), a controlled evaluation of in the treatment of convalescing alcoholics, 494
Lidocaine-modified treatment, and Siemens Konvulsator III and Elther ES electroshock apparatus treatments, influence of on retrograde amnesia, 117
Life and Work of Sigmund Freud, The, 100
Lifshitz, Kenneth, 285
Limbic structures of rabbit, effects of antidepressant drugs on, 277
Lipton, Morris A., 487
Litwin, George H., 561
Livingston, Andrew, 395
Long, Judith, 173
Long term drug-induced symptom modification in schizophrenic outpatients, 231
Longitudinal view of patient conduct: Problems of containment, 466
LSD-25
effects of on tropical fish, 389
the figural after-effect and, 557

M

Macmillan, Malcolm, 447
Maier, George, 389
Manic-depressive patients, remitted, conformity and achievement in, 162
Mann, David, 29, 231
Man's Picture of His World, 301
Margolis, Reuben, 29, 231
Marks, John, 597
Matarazzo, Ruth G., 380
Measurement of activity patterns of schizophrenic patients, 258
Measures, objective, of somatic preoccupation, 427
Medical factors relevant to psychological reactions in mitral valve disease, 380
Mehl, Marie C., 88
Memory disturbances and therapeutic effects after treatment of endogenous depression with Elther ES apparatus and Siemens Konvulsator III, 268
Memory, perceptual analytic ability and perceptual responsivity as revealed in Rorschach responses, chlorpromazine and imipramine effects on, 42
Mental Health in the Metropolis: The Midtown Manhattan Study, 603
Metabolic unit, the operation of in psychiatry, 51
Methedrine and sodium amytal injections, interviews with mute chronic schizophrenics after, 187
L-methionine and L-tryptophan feedings in non-psychotic and schizophrenic patients, with and without tranylcypromine, 135
Methionine or tryptophan, administered with tranylcypromine, urinary indoles in schizophrenics and psychoneurotics after, 246
Methohexital sodium and thiopental in SCC-modified ECT, controlled comparison of, 297
Metzner, Ralph, 102, 561
Michael, Stanley T., 603
Microscopic Anatomy of Tumors of the Central and Peripheral Nervous System, The, 306
Milieu, hospital, influence of on effectiveness of psychiatric drug therapy, 143
Minutes of the Vienna Psychoanalytic Society, Volume I, 405
Missing and wanted: Heterodoxy in psychiatry and psychoanalysis: Editorial, 311
Mitral valve disease, medical factors relevant to psychological reactions in, 380
Modifications of symptoms, long term drug-induced, in schizophrenic outpatients, 231
